## Things To Do In The Area

- Hiking: 
  - MML is actually on the Appalachian Trail. If you walk down to Kent Pond, go left to go south on the AT. There is a nice walk along the lake to Gifford Woods State Park.
  - If you go down to Kent Pond, go right to go north on the AT, Thundering Falls is about a 1.5 mile hike/walk. The way to the Falls is well marked and there will be a group hike on Saturday morning at 9:45am. If you want to extend your hike, the trail continues to ascend up Quimby Mountain.
  - You can also appreciate the beauty of the Falls by just driving to the Thundering Brook Falls boardwalk (2295 River Road) and viewing it from there.
  - There are also more strenuous hikes in the area, but make sure to be back in time for the wedding!!
- Kent Pond, Lawn Games, and Hanging out at the lodge: 
  - On the property there are kayaks, a canoe, and a rowboat. Grab a life vest and paddle out on Kent Pond. You can fish, but not without a license.
  - Lawn games, horseshoe pit, corn-hole, and bocce ball are all available. If the weather turns, there is a game room with foosball, a pool table, darts, puzzles, and board games.
- Woodstock: 
  - Twenty miles east on Route 4 is the charming town of Woodstock offering shopping and a stroll along through this quintessential Vermont town.
  - Our favorite places in Woodstock are Marsh Billings Rockefeller National Park, Worthy Kitchen, and Abracadabra Coffee.
- Killington: 
  - Visit Killington Mountain and ride the Gondola for spectacular views.
  - Killington also has a mountain bike park and adventure center.
- Covered Bridge Driving Tour:
  - There are some covered bridges in the area that you can drive to. See <http://www.virtualvermont.com/coveredbridge>
- Climbing: There is some bouldering across the road from Mountain Meadows Lodge. There is also a small area called Deer Leap located a short (5 minute drive) away on Route 4. See Mountain Project for more details. 

## Reminders

- Alcohol is not permitted to be brought onto the MML Property as they hold a liquor license.
- No smoking in buildings. There is a designated smoking area in the front of the lodge.
